Eric,

We have a 60 foot long roll of .007 X 48" wide for \$152.00 that weighs about 15 pounds and would cost about \$15.00 to UPS it to you. Let me know your VISA/MC number and we will get it out right away.

Dear Larry Stock: Thank you for the prompt reply to my Mylar inquiry. We want to buy one roll of 48" width and .007 thickness of clear Mylar for your price of \$252. If we could have you roll off about a 50 foot section and reroll that on another roller so that it would be on two rollers instead of one that would be great as we know the material is very heavy. How much does it weigh? If you have a partial roll that would be even better for us to buy. How much is shipping to St. Louis the cheapest way so it will not be damaged? Our address is Eric P. Newman Numismatic Education Society, 6450 Cecil Ave, St. Louis MO 63105. We look forward to your response. Eric P. New man

Thank you so much for finding a 60' partial roll of 48" clear Mylar .007 for us. If you can include an extra empty tube to roll part on that would be helpful. Please charge the \$167.00 to my personal master card 5490 3510 3843 8902 in the name of Eric P. Newman expiring 11/03. The purchaser to whom it is to be billed and shipped is Eric P. Dear Polymers: The 60 foot roll of 48" wide Mylar clear .007 arrived in good shape and we thank you. The parcel of 60 feet of the 36" width which you previously shipped in error to us we are hoping you will donate to the Mercantile Library division of the University of Missouri at St. Louis. They will write you an appreciation and you will please us immensely. It will be used there for envelopes to hold large fragile documents and maps. When they see how wonderful it is perhaps they will become a good customer. Eric P. Newman Numismatic Education Society by Eric P. Newman
